

LESBIAN SEX MAFIA PRESENTS

SENSUAL WHIP WRAPPING

FRIDAY, FEBRUARY 19, 8:00 PM

At the LGBT Center, 208 W 13th St, New York, NY

Whips aren't just for heavy or sadistic players; wrapping can be used for a sensual warmup or a light scene. This class is geared towards all learning levels, covering beginners to advance wrapping techniques.

The class covers safety, the anatomy of signal, snake, and bullwhips; also how to use them in a scene with just a few hours of practice. Attendees will learn body positions to use when wrapping and methods for limited space. In addition, everyone will learn various ways to practice for accuracy and intensity. Each technique is shown on a demo bottom so that everyone will be able to see how particular skills are applied directly on a live body.

Space permitting this will be an interactive class. Feel free to bring your whips. A few will also be available to borrow.

Mistress Thorny has been involved in the BDSM scene for about 13 years. She's the owner of Fetish Nation, fetish apparel and gifts and formerly the co-group leader of Black B.E.A.T's NY/NJ munch.

She has been honing her whip skills for the past nine years; teaches privately and has presented Sensual Whips to F.I.S.T. Women Balto., and Long Island Leather and Roses (LILNR) groups.
