LSM HERSTORY

A MEMORY CIRCLE

MODERATED BY KARIDA

35 Years of Leather Dyke History

The Lesbian Sex Mafia was born in a time when women meeting to engage in BDSM was shrouded in secrecy. LSM was an important part of the budding NYC Underground BDSM Scene. LSM celebrates 35 years as the longest running women and trans BDSM group.

Friday, March 18th, 8:00 PM

At the LGBT Community Center, 208 W. 13th Street New York, NY

Come help us celebrate Women's History Month.

Memory Circle panelists include Leah Strock, Liz G., and Andrea Sears, followed by open discussion.

Have we got stories to tell!
