

The Lesbian Sex Mafia Presents

CRUISING 201

(Insert picture here)

Play parties are more fun when you participate. But how do you walk into a party and get what you want? Like most queer life skills, cruising kinky hotties may not be something you got to practice at a high school dance. In Cruising 201 you'll get to go beyond the basics of cruising for sex and play. You'll learn the communication skills that allow you to introduce yourself and your desires in an erotic space. You can even try them out in a safe and consensual setting and maybe even meet that cutie who caught your eye at the last LSM meeting!

Our Presenters:

Brooklyn Dog wants you to have all the sex and play you can handle (or more!). As a poly kinky slut, leatherwoman and greedy switch, she is a perpetual student of leathersex and the erotic. She has taught kinky topics at Queer Invasion, The Floating World, LSM and MOB. You can read her porno in hot collections such as "Up All Night", "Best Lesbian Erotica 2012" and "Under Her Thumb: Erotic Stories of Female Domination" as well as her upcoming novel "The Girl."

Red Robinson is a Daddy, a Sir, and a perverted spiritual seeker who has been part of the leather community since the early 1990s. She currently hosts New York's only sex and play party for the women's and trans communities, Submit, and also coproduces SPAM, a monthly sex party for Brooklyn's queer community. Uncle Red has for the past seven years coordinated all of the hospitality parties at IMSL, and has promoted and co-promoted a number of long-running leatherdyke parties in New York, including Spanktuary, Carnalitea, Throb, and Shut Up and Fuck. She coproduced the New York Leatherwomen contest, and has taught classes in flogging, female ejaculation, impact play, and many other topics at Black Rose, TES Fest, LSM, IMSL, F.I.S.T., and offered the first SM classes at Michigan Women's Music Festival.
